

Cost of Care

Both the Grand Rapids Home for Veterans and the D.J. Jacobetti Home for Veterans are State of Michigan facilities operated by the Michigan Veterans Affairs Agency. The homes' Board of Managers annually determines the cost of care based on operational costs. The cost to individual members is determined by a monthly assessment based on each member's ability to pay.

The current cost of care rates are as follows:

Jacobetti Home:

<u>Veterans</u>	<u>Monthly Charge</u>
-----------------	-----------------------

Domiciliary Care	\$2,330
------------------	---------

Nursing Care	\$3,950
--------------	---------

<u>Non-Veterans</u>	<u>Monthly Charge</u>
---------------------	-----------------------

Domiciliary Care	\$3,668
------------------	---------

Nursing Care	\$7,000
--------------	---------

Grand Rapids Home:

<u>Veterans</u>	<u>Monthly Charge</u>
-----------------	-----------------------

Domiciliary Care	\$3,220 (\$2,150 for Veterans eligible for federal aid)
------------------	---

Nursing Care	\$3,950
--------------	---------

<u>Non-Veterans</u>	<u>Monthly Charge</u>
---------------------	-----------------------

Domiciliary Care	\$3,400
------------------	---------

Nursing Care	\$7,000
--------------	---------

The amount of individual assessments for care can range from zero to the full cost of care. Factors considered in the assessment of care are marital status, number of dependents, assets, income, long term care insurances, and expenses. Those residents unable to pay the maximum amounts will be assessed according to their individual circumstances. All residents with the ability to pay the full cost of care are expected to do so.

Medicaid/Medicare does not pay for the Cost of Care at the Homes. Long-term care insurance may reimburse the resident for the cost of assessment. It is the responsibility of the applicant to consult with their long-term care insurance agent prior to admission.

Upon arrival at the Home, new members should be prepared to pay the first month's fee. If arrival is after the first of the month, the monthly fee will be pro-rated for the rest of the month.
